this ebook examines the top 10 bloodiest conflicts in human history it provides an analysis of each war s origins overall deaths and their impact on history

original and compelling insights into the human capacity for war a must read for anyone interested in the psychological depths of human nature barbara s held author of back to reality almost 200 million human beings mostly civilians have died in wars over the last century and there is no end of slaughter in sight the most dangerous animal asks what it is about human nature that makes it possible for human beings to regularly slaughter their own kind it tells the story of why all human beings have the potential to be hideously cruel and destructive to one another why are we our own worst enemy the book shows us that war has been with us in one form or another since prehistoric times and looking at the behavior of our close relatives the chimpanzees it argues that a penchant for group violence has been bred into us over millions of years of biological evolution the most dangerous animal takes the reader on a journey through evolution history anthropology and psychology showing how and why the human mind has a dual nature on the one hand we are ferocious dangerous animals who regularly commit terrible atrocities against our own kind on the other we have a deep aversion to killing a horror of taking human life meticulously researched and far reaching in scope and with examples taken from ancient and modern history the most dangerous animal delivers a sobering lesson for an increasingly dangerous world illuminates an exceedingly dark subject humankind s deep seated penchant for war the result is a discerning insightful highly original and very disturbing book andrew j bacevich author of the age of illusions

the british colony of west florida which once stretched from the mighty mississippi to the shallow bends of the apalachicola and portions of what are now the states of florida alabama mississippi and louisiana is the forgotten fourteenth colony of america s revolutionary era the colony s eventful years as a part of the british empire form an important and compelling interlude in gulf coast history that has for too long been overlooked for a host of reasons including the fact that

west florida did not rebel against the british government the colony has long been dismissed as a loyal but inconsequential fringe outpost if considered at all but the colony's history showcases a tumultuous political scene featuring a halting attempt at instituting representative government a host of bold and colorful characters a compelling saga of struggle and perseverance in the pursuit of financial stability and a dramatic series of battles on land and water which brought about the end of its days under the union jack in fourteenth colony historian mike bunn offers the first comprehensive history of the colony introducing readers to the gulf coast's remarkable british period and putting west florida back in its rightful place on the map of colonial america

doctoral thesis dissertation from the year 2009 in the subject literature comparative literature grade p h d language english abstract this doctoral thesis investigates otherness through works which have thoroughly examined and questioned the creation of a stable self by putting it in dialogue with its others and to society as a whole namely william butler yeats's selected poems james joyce's dubliners 1914 joseph conrad's heart of darkness 1899 chinua achebe's things fall apart 1958 and assia djebar's *l amour la fantasia* 1985 by representing the results of english belgian and french oppression in tangible material terms as well as its spiritual bankruptcies these writers mark their works as clearly critical of the colonial regime and opposed to colonial exploitation positioning themselves as postcolonial through their representations in this sense their texts raise issues debated in current postcolonial discussions speaking in the voice of the oppressed in the language of the oppressor as a weapon to make cultural difference visible these writers analyse the problem of identity crisis displacement disintegration and the effects of colonialism on the culture and psyche of the colonised subject despite their differing conceptions of irishness both william butler yeats and james joyce repudiated things english and helped to defend their history as well as regain pride in their race the other in these writers is presented not in terms of colour but conceived in relation to city countryside past present and protestant catholic the theoretical questions that haunted chinua achebe's career as a writer were also prompted by the desire to re orientate cultural discourse and initiate a discourse of resistance in his commitment to questions relating to identity and the relationship of the individual and history achebe like the above mentioned irish writers contributed to the analysis of colonisation and the natives resistance to oppression both at the level of the individual and that of the nation as another marginalised writer joseph conrad anticipated yeats's prophecy in his 1921 poem the second coming several years earlier with the publication of heart of darkness whereas yeats saw

the spiral shapes of history conrad saw the emptiness at the centre of civilisation and the atrocities at the margins he showed the hollow morality at the centre of the imperialist enterprise one that could not hold he too wrote about the paralysis of modern society the disruption of traditional society under the impact of intruding forces
